Meeting Minutes

New chair

- Tracy and Stu nominated Mary, Mary accepted
- All thanked Eric for his service
- Celenia confirmed via Teams that they support the proposed plan of succession

Goalsetting

1. Short term: Super User Stories (Tom Teper wants these by first week in December)
   a. Budget advocacy
   b. Awards nominations
   c. Heather and Sarah Bertier donor solicitations and friendscript
2. Longer term: Introspection—who are we and what do we do
   a. Revisiting the charter
   b. Consider emerging tech patterns
3. Survey and share emerging tech
   a. What's new? What could we consider pursuing?
   b. Gartner hype reports

        c.   For wearables, HIPPA and privacy considerations
4. Scholarly Commons/Media Commons migration
        a.   Pausing updates for Title II
        b.   Any advertising needs to account for current bandwidth
        c.   Where is the best place to redirect?
        d.   Scan of the SC LibGuides
                i.   Review and delegate: retire or reassign
              ii.   May need to have "you taking on this, congratulations" rather than "would you be willing to take this on?"
5. Environmental Scan/ inventory to guide web revisions
6. (From Celenia) Accessible Tech

November-December
- Scan of Scholarly Commons LibGuides and review
- Gather stories by the first week in December for Tom
  - what resources did you use, did any people help you, if so who, and how did this contribute to your project?
- Survey library current services
- Showcase? Monthly newsletter announcements?

New Year
- Revisit the charter
